Northern Pacific Chapter INawards12

About the awards:

The IIDA Northern Pacific Chapter INawards is a juried competition for interior design excellence and innovation. Interior designers, architects and industrial designers from the regions covered by the Northern Pacific Chapter (Alaska, Idaho, Washington, Alberta and British Columbia) are invited to submit entries of interior spaces and interior products completed after January 2010 (published or unpublished).

Award recipients will be honored at an awards ceremony and announced in a press release shared with regional and national editors of trade magazines. The winning projects and products will also be announced through an IIDA Northern Pacific Chapter publication sent to local and national press, designers, and industry, as well as posted on the IIDA Northern Pacific Chapter's website at [www.iida-northernpacific.org](http://www.iida-northernpacific.org).

For the People's Choice award, people were invited to stop by and vote for their favorite project of the INawards12 at the Seattle Design Festival from Friday, September 21 to Sunday, September 23. The voting then opened up on the IIDA Northern Pacific Chapter's website. The winner was announced at the INawards12 event at the ACT Theatre on October 22, 2012.
