

## 2013 K GUIDO SANGIOVESE

*What a cool wine. Wet brick, pipe tobacco, tomato skin, toasted fennel and brandy soaked Italian cherries. Medium bodied, smooth and delicious. I love this wine!*

### CURRENT & PAST SCORES

#### 93 Points, *Wine Enthusiast*

"Pale to the point of being Pinot-esque, this wine draws you in with its aromas of earth, cigar box, crushed flowers, herb and sour cherry. The palate is ethereally light and elegant, fully of savory flavors and made in a transparent style. It might be too elegant for some tastes but others will swoon.

#### 92 Points, *Robert Parker's Wine Advocate*

"The medium-ruby colored 2013 Sangiovese Guido comes all from Jack's Vineyard in the Rocks region of Walla Walla. It has juicy acidity and an elegant, medium to full-bodied style, as well as lots of kirsch and cherry fruit characteristics, spring and spice. It shines on its purity and finesse, and should keep nicely through 2023."

### VINEYARD

The vineyards we work with are farmed using the most up to date sustainable practices.

**Jack's Vineyard:** Stony, ancient riverbed, located on the floor of the Walla Walla Valley. This vineyard is 80% Sangiovese and 20% Syrah. Very cobbly, Freewater loam- cobbles over gravel over sand, dried riverbed. In the rocky soils of this part of the valley, low vigor keeps flavors concentrated. Planted in 1999.

### VINTAGE

The warmest vintage since 2003 cooled off just in time for harvest. The resulting wines were less likely to tip over into overripe favors or high alcohol levels, and picking proceeded at a normal pace. Total tonnage was up about 5 percent over 2012, a record for the state. 2013 made us thank Sweet Baby Jesus that our white wine vineyards are cool sites at higher elevation. The very warm vintage cooled down in mid- September allowing us to pick at the perfect moment in the first week of October. This gave us generous full favored wine while still keeping focus.
